1. Do you know where I'm taking you? Farther into Me than anyone ever before. Why? You quest; you let Me, you love Me, you dictate nothing to Me and require nothing of Me and lay all of your life possessions, thoughts, aspirations, and beliefs aside; and you come into Me naked of pretense and airs and status; and the wisdom of a child being before Father.

2. Let Me enter you as never has been, you entering Me the same, yea us entering each other in covenant that you know is real and everlasting, perpetual and irreversible.

3. I love you Me/Ted. I love you.
I surrender to your surrender.
I surrendered am to your surrendered heart/nature.
I bow before you for you bow before Me, My body all, even those who/who'll hate you for this message of holiness, and prosperity-not, but yea the kingdom of heaven manifest in the sons of light and mercy and, who is that you say? My name is what?

4. Yea hear the word of the Lord to you Isaiah's and Jeremiah's and pick up your pen and start writing, proclaiming, and publishing the words of the Lord/My heart that I have given you, and lift not the sword for/to non-understanders but proclaim to majesty, I Am in My temple this day and My reward is with Me (1).

5. I come on a white horse and array to give you a white horse and array and robe, scepter and crown of Me/Father; and who is Father but Me/you and who are you if you're not Me? Or are we one and the same? If not, you are not-Me, *and cast you into outer darkness again and again I will/do.* I love you still.

6. Who can see the word of the Lord and not preach it but be it, show it, share it, proclaim it, profuse it and infuse it by exemplifying the kingdom of heaven through it. I love you. See what I ask. I love you.

7. Into Me see all change so quickly and rapidly access the heavens I do on your account, yours known by all, and think not you're alone in this. My favor/hand is upon you, from the beginning, and there is no end. I love you.

8. Are you satisfied? Or wantest thou more?
You've answered before I asked.
I ask for the others beside, around, and who cometh hither and yon to see, feel, and believingly surrender into My arms/Lordship that Father provided/provides, and yea all is.

9. Laugh at your circumstances-thought-perilous. Nothing can touch My love. I give you Me.

10. Rest and bring forth. Rest and bring forth. Rest, I say rest in Me and let Me speak boldly/much in WeekWorks 15 for I have My jewels and I lay them at your feet and casting nothing except My best/finest, *for Father said "All"*. Thank you for wanting, receiving, and never limiting Father's goodness. You Ted, wear/have all. Now enter your rest and be fourth not but the first of the seconds. I love you. Good night.
New friends in the morning. Old friends gold coming forth. Recent friends yea birth many friends and cakes of figs make under trees many. Long walks.
I love you. On shores many, without number.
Who's counting?

11. We have: all time? Ted, we have…all. I love you.
Smile, feel my lips pressed against/into yours, My lover Friend.
I love you My bride-er, My bride royal, letting all know: they are.
Thank you one general maker revealer. I love you.

Good night.
